

PRECISION SURVEY & CAD DRAFTING

2026 PRICING SHEET

Professional drafting services for surveyors, engineers, and design firms. Fast turnaround, clean line work, and finals that pass review the first time. Rates below are starting points — final quotes depend on size, complexity, and source-document quality.

SURVEYS

Simple Boundary Survey

Property-specific drawing from field measurements — actual boundaries and existing structures. Standard residential lot, clean deed.

FLAT RATE
\$100

Standard Boundary Survey

Multiple calls, monumentation notes, moderate complexity.

STARTING AT
\$150

Complex / Acreage Boundary Survey

Irregular tracts, multiple deeds, retracement, or large acreage.

STARTING AT
\$225

Minor Plat (Recorded Map)

Recordable map for small splits — lots, streets, and easements. Typical 1–4 block range.

SIZE-BASED
\$200–\$300

Major Plat / Subdivision

Larger subdivisions with multiple lots, road right-of-way, easements, and recording-ready sheets. Quoted by lot count and complexity.

STARTING AT
\$500 +

ALTA / NSPS Land Title Survey

Full Table A items, schedule B-II references, certifications.

STARTING AT
\$400

Topographic Survey

Contours, spot elevations, point cloud or field-book input.

STARTING AT
\$175

SITE & EXHIBIT DRAFTING

Site Plan

Proposed improvements, setbacks, dimensions, and notes.

STARTING AT
\$200

Pool Plan

Pool, deck, equipment pad, setbacks, and permit-ready details.

FLAT RATE
\$150

Easement Exhibit

Sketch & description, metes-and-bounds write-up included.

STARTING AT
\$85

General CAD Cleanup

Layer standardization, line-weight fixes, block conversion, plot prep.

HOURLY
\$50 /hr

What's included: One round of revisions, final plot-ready DWG and PDF deliverables, and standard title block. **Rush turnaround** (under 48 hours) adds 25%.
Volume discounts available for ongoing survey-firm partnerships — ask about a retainer rate.
